ABOUT YOUR MEDICAL RECORDS

If you have any medical records or copies of prescriptions at home, send them to our office with your completed form or, if you are having an interview in our office, bring them and any medicine containers with you. If you need the records back, tell us and we will photocopy them and return them to you.

YOU DO NOT NEED TO ASK DOCTORS OR HOSPITALS FOR ANY MEDICAL RECORDS THAT YOU DO NOT ALREADY HAVE. With your permission, we will do that for you. The information we ask for on this form tells us to whom we should send a request for medical and other records. If you cannot remember the names and addresses of your medical sources, you may be able to get that information from the telephone book, medical bills, prescriptions, or prescription containers.

The Privacy Act

Sections 205(a), 223(d), and 1631(e)(1) of the Social Security Act authorize us to collect the information on this form. We will use the information you provide on this form to make a decision on your claim or case. Your response to this request is voluntary. However, failure to provide all or part of the information could prevent us from making an accurate and timely decision on your claim or case.

We rarely use the information you supply for any purpose other than for determining your living arrangements. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following: (1) to enable a third party or an agency to assist Social Security in establishing rights to Special Veterans Benefits; (2) to comply with Federal laws requiring the release of information from Social Security records (e.g., to the Department of Veterans Affairs); (3) to make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and (4) to facilitate statistical research, audit, or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Additional information regarding this form, routine uses of information, and our programs and systems, is available online at www.socialsecurity.gov or at any local Social Security office.
